LABRADOR MARINE INC. ANNOUNCES GUARANTEED FREIGHT DELIVERY DATE FOR SHIPMENTS ON COASTAL SERVICE

(Happy Valley-Goose Bay) – Labrador Marine Inc. (LMI) today announced the deadline for guaranteed freight delivery on its Labrador Coastal service. All commercial and residential freight must be received by 5 PM on Friday, November 12 to be assured of delivery before the end of the shipping season.

The November 12 shipping deadline applies to both the north and south coast service.

“We encourage early delivery of freight to the Goose Bay terminal,” says LMI General Manager Capt. Austin Daley. “It is vitally important to the people in coastal communities that food supplies and other essential goods are delivered to each port before the service ends for the season.”

Daley complemented travelers and customers for helping ensure coastal communities remained safe in the face of the continuing COVID-19 pandemic.

“LMI worked with federal, provincial, and local governments, and with health authorities to put measures in place that protected local people and their communities. We want to thank the people who travelled with us for their cooperation and patience in helping make 2021 safe for everyone.”

Inquiries about freight operations should be directed to Dave Leyden, Labrador Marine Inc. at dleyden@woodwards.nf.ca.
